crowds.cramp.gateway; population explosion hits aurora

Crowds, crowds, crowds . . . sawdust in the hallways as new walls and offices were built . . . making it to class on time only to realize you grabbed the wrong book . . . caught in the Great Gateway Traffic Jam . . . chalking up that dreaded fifth absence - causing failure . . .

Many changes were made this

year to combat overcrowding. Our enrollment of over 2,400 exceeded the planned capacity by more than 600, calling for a split schedule and a ten hour day. Classes that in the past met for two hours every other day were changed to meet for one hour each day.

The crowding at Gateway has

stemmed from the continuing rapid expansion of southeast Aurora. Common sights were new housing developments, such as Huntington Green, Willow Park, and Sunset Homes; and shopping centers - Chamber's Point, Buckley Square, and Buckeye.

Upper left: Jr. Steve Paul, goalie, deflects the ball during practice. Lower left: Gateway Olys get it on at the Cherry Creek—Gateway game. Below: Sr. Arnold Campbell signals victory over Cherry Creek.

ATTENDANCE policy beefed-up

Upper left: Sr. John Lamkin hunts for a job at the Gateway Job Line. Right: Fr. Jayne Herberg and Soph. Larry Nocerino wonder "Whose is whose?" Above: Soph Kathy Nelson whips up a skirt in Home Ec.

A new attendance policy was adopted by the Aurora Public Schools to reduce absences. The administration felt it countered crowding by extending the day and reducing the number of students assigned to each class. Class size was less than in previous years despite the record enrollment.

New walls were put up in several departments to help reduce noise, and to form new offices.

The Gateway MEDALLION brought national recognition to our school with their National Scholastic Press Association rating of "All American," the highest award

possible, and with a fourth place out of 65 Colorado high school papers in competition.

The Pom-pons and the Junior Varsity Cheerleading Squads participated in the Cinderella City Cheerleading competition, placing third in their divisions.

Above: Juniors and Seniors cheer vigorously at an Oly pep assembly. Left: Mr. Hal Blubaugh's physics class enjoys a day off to read the Gateway MEDALLION.

CAMPUS life spills into community

Top left: Sr. Ken Walters, left, plays pinball "Fun and Games" in the Aurora Mall. Bottom: Sr. Roberto Rodriguez displays a winning wig on Crazy Hat and

Hair Day. Right: Sr. Frank Robinson serves a mean ball.

Spirit exploded with Gateway's growing crowd this year. To promote school pride, a Spirit Counsel was formed along with the first Pep Club. Cheerleaders, pom-pons, and Spirit Counsel organized the well attended bimonthly pep assemblies, with witty scripts by Sr. Lisa Self, Soph. Bob Miller, and Sr. Mary Cox.

"Fargo's," a popular pizza palace on Mississippi, replaced "McDonald's" as a favorite hangout. Gateway's rowdier group was unofficially "kicked out" of McDonald's for their after-game excitement.

Gateway's melting pot expanded with exchange students and other foreigners from such far away spots as Viet Nam, Korea, Japan, Sweden, and Germany.

Split sessions enabled more students to take part-time jobs in new shopping areas that suddenly sprang up.

Top left: Night life brings on the "Fast Food Society." Right: The senior class captures first in Homecoming competition. Srs. Stuart Savig, Preston Williams and Soph. Andy Dilling display soccer strategy against Cherry Creek.

The Great Gateway Traffic Jam

Creates Hassles

Walking to school by flashlight before dawn . . . dropping your term paper in the slush after a snow . . . waiting for the RTD at the usual spot when routes are changed again . . . paying 50¢ once you find the new route because you commute during peak hours . . . running out of gas two blocks from school and two miles from a gas station . . . screeching into the Great Gateway Traffic Jam at 6:58 a.m. . . . receiving your third and final warning from the campus monitor because you don't have a little orange sticker on your rear view mirror . . . explaining to the monitor why your car is in Ms. Burnham's parking place . . . discovering your car has just been towed but not knowing where to get it back and not having the \$30 to pay for retrieval of it when you DO find it . . . being late and up ahead lurks a hole in the street and a detour sign . . . heroically riding your bike to beat the pollution through the stickers of Aurora's rapidly disappearing plains and getting a flat . . .

Just getting to school turned out to be a hassle this year because of overcrowding and split schedules.

There were, however a few bright spots: watching the sun rise . . . having a seat to yourself on uncrowded buses so you could catch a snooze . . . having enough room in the parking lot at the end of the day to do wheelies on your bicycle . . . or race in your car.

This year approximately 70 percent of the students were bussed to school. Of the remaining 30 percent, about 20 percent walked or

rode bicycles and 10 percent drove cars. Busses this year were not as crowded as last year, because of the split schedules. The situation for students who drove also improved because students were arriving at different times.

Top: Jrs. Robin McCarthy and Lisa Coates smilingly commute by foot. Bottom: Bus regulations were switched this year to include students within a two mile radius who previously did not have bus privileges. About three fourths of Gateway High School students now are bus commuters due to these revised regulations.

Bottom: Gateway spirit is inspired by its first Homecoming bonfire Oct. 4. near Aurora Mall.

Spirit Week, October 2-6, was highlighted by the first bonfire in Gateway's history. Cheerleaders and pom-pons led the crowd with "the bunny hop" dance.

School spirit was bursting throughout the week. Jr. Eric Hagerman stole the show on Opposite Day in his mother's black silk strapless evening gown offering free kisses to passing male students. On Grease Day, Soph. Shari Lambert contributed her spirit by wearing a full red skirt and jacket, bobby socks, and saddle shoes. Soph. Sally Davis exhibited spirit on Crazy Hat and Hair Day by wearing a red and green Japanese hat. A large group of junior girls were seen wearing bright yellow T-shirts with "Juniors Rage" or "Juniors do it better" printed on the front during T-shirt Day.

Kidnapping Highlights Pep Rally; Graf, Smith, Homecoming Royalty

Among the chaos and enthusiasm of the Homecoming Pep Assembly Oct. 6, Principal Richard Sharkey announced that varsity football player Kevin McCasky had been kidnapped that morning. The kidnappers delivered a ransom note insisting their demands be met.

The ransom consisted of four different stunts. Sr. Glen Graf was instructed to sit in the middle of the gym floor with a fishing pole and bucket, and sing "My Bologna has a First Name." Jr. Paul Polston had to put on a homemade hula skirt and perform a Hawaiian dance.

Soph. Neal Patrick was required to sing Gateway's fight song for the crowd. Fr. Chris Strain had to crawl across the gym floor and back wearing a baby bonnet and diaper; he also was required to recite baby talk.

These skits had to be fully completed before Kevin would be returned.

On the evening of Oct. 7, returning alumni Kevin Patrick and Annette Warren, crowned Srs. Glen Graf and Cindy Smith the 1978-79 Homecoming King and Queen.

A roaring fire was set in the commons for the disco dance, which gained a reputation as the "hottest" dance in Gateway's history. The theme, "Chase the Clouds Away," was carried through with orange and yellow streamers, strung by the senior class.

Additional nominees for King were Jeff Guy and Todd Allen. Queen nominees were Joan Hart and Mary Boyle.

Jrs. Dan McCasky and Jill Herberg were appointed Prince and

Princess. Other nominees were Rod Dorsey and Gary Moore for Prince; Sue Eisenhauer and Becky Coates for Princess.

Duke and Duchess honors were awarded to Sophs. David Been and Lori Thompson. Other nominees for Duke were Greg Dunn and Neal Patrick. Nominees for Duchess were Jill Johnson and Sally Davis.

Fr. Jeff Gruenwald and Michelle Mitchell were chosen this year's Count and Countess. Other nominees for Count were Chris Strain and Mike Ward. Nominees for Countess were Jeana Warren and Elizabeth Coates.

Royalty was chosen through student vote. Each student nomin-

ated two of their classmates. These nominations were then tallied and three candidates for each position were named. The final decision was made when the students voted for their favorite couple. All nominees were announced at the Homecoming game, and winners were declared at the dance.

Panthers Sneak Past Olys 39-37

The Homecoming game Oct. 6 against Boulder was close with Gateway trailing just 37-39 for the final score.

With the orange and yellow kick-off balloons still floating over the stadium, Boulder scored a 77-yard touchdown in the first thirty seconds of the game.

With only one minute left in the half and Gateway trailing Boulder 25-7, Soph. Neal Patrick completed a 70-yard bomb to Sr. Tony Blanks.

Halftime activities helped to relieve the tension with performances by the marching Band and a presentation of the Homecoming Royalty nominees.

The colorful climax of the halftime came when the class floats were paraded across the field. The seniors' first place in the competition broke the two year winning streak of the class of '80.

The juniors' float, which took second place, displayed the Oly mascot against a blue background.

The sophomore class float won the award for "Best Use of School Colors."

The freshman float featured a rainbow arching above an "82".

Late in the third quarter Neal Patrick scored on a sneak play to make the score 25-22, Boulder

Gateway Coach Warren was penalized for stepping out on the field early in the fourth quarter, giving a first down to Boulder. With 1:06 left in the game, Sr. Jeff Guy tried for a field goal. It was 1/2 yard short.

Top: Fr. Greg Cunningham worked diligently to prepare the freshman class float for Friday night's game. Bottom: Gateway fans boost their team's morale by releasing balloons after Boulder's first score.

Comedy Kicks Off Drama Season

A Broadway comedy, THE IMPOSSIBLE YEARS, opened the 1978-79 drama season. It was Seth Rossman's first production as the new Gateway drama teacher.

The play deals with the problems psychiatrist Jack Kingsley and his wife Alice have in raising their two teenage daughters. Their main concern is to persuade their 17 year old daughter Linda to clean up her act, without seeming like overbearing parents.

Linda, a messy, irresponsible chain smoker, has tendencies toward kissing instead of studying. The play is resolved when Linda secretly marries Richard Marrick, Dr. Kingsley's collaborator on his forthcoming book which deals with teenage attitudes toward sex.

The main characters of the play, Dr. and Mrs. Kingsley, their daughters Linda and Abbey, Richard Merrick, and artist Bartolomew Smuts were portrayed by Srs. Robert Neimi, Jr. Trent Oliver, Fr. Sara Rodrick, soph. Andy Ocrant and Jr. Steve Liggett respectively.

Assistant to the director was Sr. Paula Wright and stage manager was Soph. Michelle Liggett.

Rossman, who transferred from Aurora Hinkley High School, chose the play, written in the early sixties by Bob Fisher and Arthur Marx, for production at Gateway because of its adaptability to high school performers and because the audience, as well as the actors, could easily identify with the characters of the play.

Top: Soph. Andy Ocrant discusses maturity with Jr. Trent Oliver. Bottom: Sr. Bob Neimi interupts a "shocking French lesson" between Jrs. Trent Oliver and Tim Drnec.

Halloween More Than A Treat

"Kiss" and "Star Wars" characters highlighted the fourth annual Halloween dance October 28. Togas, taken from the movie "Animal House," were popular costumes, along with the conventional ghosts and witches.

During the dance contest, Jrs. Pam Nocerino and John Jackson boogied their way to the top. The two winners were awarded with albums for their disco moves.

Waldo White provided disco tunes at the masquerade, sponsored by National Honor Society.

On October 31, Halloween, many students and faculty arrived in costume to show Halloween spirit. Jrs. Eric Hagerman and Becky Coates were tailored in tights and black capes, alias Batman and Robin. Mr. Ron England terrified his students when he was transformed into "The Incredible Hulk." The day was fulfilled with trick or treating in the halls.

Split Schedules Allow More Jobs

Many students were able to hold down part-time jobs because of the new split schedule. Olys on the early schedule were able to earn enough money to cover their financial responsibilities and their social activities such as saving for college, meeting car payments, clothing, dates, parties and satisfying that junkfood craving.

Shopping centers, such as Chambers Point and Buckley Square, sprouted up all over southeast Aurora and provided job opportunities for high school students. Because of the favorable hours, students preferred jobs located in shopping malls. Jobs dealing with food service were popular among Gateway students because they were easier to obtain than other various jobs like retail sales, grocery sackers, and cashiers.

Gateway Part of the Global Community

Foreign students from Korea, Sweden, Germany, Thailand and Japan became a part of Gateway this year. Some were here to live permanently, while others were here for only a year on an exchange basis.

Soph. A Za Lee and Fr. Ryung Za Lee, from Japan, came to America because the opportunities for educational advancement are greater for women here than in Japan. In Japan they are programmed into a totally domestic world.

Their impressions of the states were favorable. They enjoyed the fact that the school day, as well as the school week, were shorter. In Japan their school hours were 8 a.m. to 5 p.m. and they were only off on Sundays.

A Za and Ryung Za attended Gateway on student visas until March, with the hope that they could receive extensions. While here, the girls lived with an aunt and uncle.

Sr. Jan Eneroth was involved in an exchange program with Jr. Elaine Barr. During the year she lived with his family in Gothenborg, Sweden, while he lived here in Aurora with the Barr family.

Jan's main reason for choosing Colorado for his exchange experience was the skiing opportunities. He has been skiing for 12 years, preferring freestyle overall.

In Sweden, school starts at age seven and continues for a required nine years, English included. If a student should choose to continue with his schooling, a field would be explored lasting from one to four years. After that, a one year military service is required for all boys. After training, Jan plans to be a commercial art director.

To become an exchange student, Jan placed an advertisement in the newspaper. The only cost involved was the round-trip airfare of approximately \$600.

Jan's twin brother, as well as his older brother, were exchange students in Portland, Oregon. His younger brother plans to come to Denver through the exchange program in a few years.

Sr. Sun Ye Lee, Jrs. Un Hyong Kim, and Chea Chang Kim from Korea and Sr. Supin Rawnkeaw from Thailand were living here on a permanent basis.

Most of these students were enrolled in English as a Second Language, a class available to help foreign students. Ms. Vera Orton and Ms. Donna McMillen assisted the class in overcoming the language barrier. Ms. Orton commented that the students worked hard.

After School, After Games, After Five

Fargo's Pizza Company, a palace richly furnished in Victorian surroundings, was the preferred after the game stop. After nearly 11/2 years of design and construction, the restaurant opened its doors on May 31, 1978.

Antique farming tools, old mirrors, lamps and a player piano were among the innumerable variety of classics collected by the owner from all around the world. Large crowds of Gateway students helped support the \$2.4 million building by dining on hot, cheesy pizzas and pitchers of coke while discussing highlights from the game, the evening's wild parties, and rides home.

Smaller groups craving the taste of hamburgers and french fries usually chose Burger King or McDonald's.

The Pub, a small bar and discotheque just off of Montview admitted minors after hours from midnight to 2 a.m. This enabled students to experience a small part of Denver's night-life.

Murders Heighten 'Bad Seed' Suspense

A suspenseful dramatic production, "Bad Seed," was performed November 29 through December 1.

The play dealt with Rhoda Penmark, a 10 year old emotionally disturbed child, obsessed with killing, whose behavior patterns were inherited from a maternal grandmother. Rhoda comes across, very convincingly, as sweet and innocent even when she is directly questioned about the murders.

The main characters in the play, Rhoda Penmark, her mother Christine Penmark, Monica Breedlove, Mrs. Daigle, and LeRoy were portrayed by Fr. Jayne Herberg, Jr. Susan Muscutt, Soph. Jody Gerberich, Jr. Karen Klusmeyer, and Soph. Steve Jacobson respectively.

The "Bad Seed" was chosen because Director Seth Rossman felt that it was an interesting challenge for students.

Claus, Canes Spice Christmas Week

Candy canes overwhelmed the entire school during the month of December as the Drama Club and the junior class sold them for money-making projects.

Candy cane grams, a candy cane attached to a small note from a friend, enemy, or secret-admirer, were sold by the junior class and delivered to classrooms on Friday, December 15. Vows and pledges were made stating, "I will never eat another candy cane as long as I live."

Junior class also sponsored the Christmas dance on Saturday, December 16, featuring KATIE 1280 disc jockey, Chuck Evans. It was the first dance in Gateway's history to be held in the gymnasium. Santa Claus, alias Mr. Justin Fay, and his elf, Ms. Cheryl Kelly, were on hand to hear all the Christmas wishes.

Friday, December 22, the day before vacation, was devoted to testing or, more commonly, to partying. Doughnuts, cookies, potato chips, fudge and eggnog accompanied films, bingo games, cartoon drawing, socializing, and the infamous English department Christmas movie for this year, "McKenna's Gold."

Rallies Raise Oly Fever

". . . Fight on Olympians, let's win this game, bring our orange and gold team honor and fame. Pass for a touchdown, roll that score high, win a victory Gateway High . . . "

Gateway's school song, performed by Mr. Gary Capra's Stage Band, kicked off the pep assemblies which were held four times each season.

Among the events at every rally, an Olympic stunt raised the spirits of the Oly student body. This featured an Olympian who saved damsels in distress or insured the Oly's victory in the evening's game by massacring the opposing school's mascot.

Classes competing for the loudest and rowdiest bunch brought on plenty of participation. Random selection of representatives from every grade raced against each other to encourage class rivalry.

Sr. Mary Cox, chairman of the pep assembly committee, wrote scripts and planned out the events with the assistence of Sr. Lisa Self.

'Nanu-Nanu'

Satire and science fiction intrigued viewers in the 78-79 season.

The new television series "Mork and Mindy" captured the hearts of many viewers with its hilarious humor. The show dealt with Mork from the planet Ork, who was sent to observe earth behavior and give daily reports to his commander, Orson.

Upon arrival, Mork met Mindy, a college student from Boulder, Colorado. Mindy explained earth behavior to Mork when he became confused. Within four months, "Mork and Mindy" was rated number one on the charts.

Other popular hits included the movies "Animal House" and "Superman", the television series "Eight is Enough" and "Happy Days", and singers Billy Joel and Barry Manilow. One of the most celebrated comedians was "that wild and crazy guy", Steve Martin, who was popularized in the "Saturday Night Live" series.

'79 Styles Seductive

The movie, "Saturday Night Fever," prompted a wide array of disco-oriented clothes. Tight, satin pants paired with gauzy tops made the dance scene full of shine, glitter, and sparkle.

Girls hid their legs with skirts that stopped halfway between the knee and ankle, showing a reverse trend from past years. Pants remained as popular as ever with soft, pleated slacks and close-fitting, straight-legged jeans worn rolled up with spike-heeled shoes. Accessories, such as thin belts which wrapped various layered looks, combs, barrettes, and real gold jewelry accented the stylish look.

'79 heralded the return of vests, big boots, suits, and big sweaters for guys.

"If this spring's fashions are anything like the nations outlook, things will be bright and simple. Color splashes everything from slim, straight skirts to lurex shirts," commented Linda Dickenson, manager of Stage-Aurora Mall.

Crowds Jam Carnival

A traveler passing down the corridors of Gateway's Social Studies Department would probably never guess that the unpretentious group in room 2C, Student Government, was organizing Gateway's greatest Winter Carnival.

The 1979 Winter Carnival gave all clubs and organizations from Gateway High School a chance to earn money. Participants did just that, grossing over \$900. The shooting gallery, cake walk, ring toss, sponge toss, dart throw, orbit art, and bowl-a-ball earned the clubs an average of \$30 each.

The carnival brought in approximately 500 people. Younger brothers and sisters, parents, and grandparents all took part in the activities.

The senior class had a balloon sale and the junior class a snack bar.

Crowding Forces Academic Changes

Top, Srs. Anne Mitchke and Susan Bullock get crazy in Student Government. Right, Srs. Tamy Kasdorf and Mike Riester finish up artwork. Above, Mr. Bill Lamberton chats with '77 alumnus Natalie Barnes.

Overcrowding had an impact on academics this year, with crowded classrooms and new faculty faces. Thirty-two new people were added to the faculty, a new attendance policy was put into effect, students were put on split schedules, and all classes were forced to squeeze their activities into one period every day.

Three new classes were also made available to students. Cultural Literature was an English class designed to expose students to literature from all other cultures. The class was highlighted with guest speakers, audio-visual materials and a field trip to the Denver Public

Library.

World Cultures was a new class in the social studies department that surveyed problems and concepts of other countries.

Yearbook Production was a year long credit course offered in the journalism department.

English Dept. Faces Future

Sr. Terri Bickley said, "I feel that futuristics is one of the most creatively structured classes our school has to offer, which allows the students to use their minds freely, to think without inhibitions of any kind."

Children's literature focused on the future in another way. As future parents, students explored fiction written for young children.

Students took field trips to read at local preschools and gave a Winnie-the-Pooh party for young children.

English teacher Ms. Carol Miron said, "Children's literature is a fantastic class to teach young adults to appreciate what they read as children."

The English department focussed on the future in some of its more popular course offerings this year.

Science Fiction, a quarter class offered this year with six sections. the most ever offered at Gateway. covered such authors as Ray Bradbury, Arthur C. Clarke, and Isaac Asimov.

This class inspired the creation of the robot Cindy, designed by jr. Tim Drnec and constructed by jr. Paul Morgan as a class project.

At one time the 5'2" robot could walk, nod her head and move her arms. Due to a close encounter with a pillar at the Aurora Mall, she was short lived but was soon to be followed by Eric, a larger and much more advanced robot.

"Science fiction is one of the most important literature courses offered in this school because it is alive and relevant! The course forces students to face critical problems of their future, from the darker side, world food shortages,

population explosion, and nuclear wars to such exciting possibilities as intergalactic space travel and life with robots," said English teacher Ms. Jan Vittum.

Futuristics covered more technical non-fiction and included FUTURE SHOCK. It examined science, medicine, male-female relationships, as well as political possibilities for the future.

"Futuristics is an eye-opener. It helps you develop a more realistic attitude about our problems now before they become too complex to solve," stated sr. Brian Donahue.

Fine Arts Polishes Student Skills

In fine arts, new drama teacher Mr. Seth Rossman felt that the year was highlighted by the spring musical "A Funny Thing Happened on the Way to the Forum."

Mr. Rossman taught first at North Middle School and then at Hinkley, where he was the teacher of Mass Communications, Technical Theater, and T.V. Production.

The Fine Arts Department was overwhelmed by 71 Photo I students trying to get their fine arts credit. A new art class, Textiles, was added to the schedule.

Students learned how to weave baskets and make wall hangings. Mr. Jay McIlwayne joined the staff as a part-time ceramic teacher.

The advanced placement program was a class designed to help students prepare portfolios to help them gain college admission.

International Dinner Landmark for Foreign Language

An international dinner March 1 in the Commons highlighted the foreign language department's activities. Each class prepared a dish to represent the culture of its country. Middle school students were invited to the dinner at which a dance group entertained.

German class field trips explored the Heidelberg, a German restaurant; the European Sausage Company in Castle Rock and the German movie, "Jeder Fur Sich." They also went on a retreat in April to Grand Lake with Hinkley German students.

Lunch at L'Ecole, a trip to see the French comedy "Mad Adventures of Rabbi Jacobs," and a viewing of the French collection at the Denver Art Museum highlighted French this year.

French teacher Ms. Carrie Wilkins said of her classes, "Some of the classes are large - too large; on the other hand, the students from the middle schools seem to have come to high school knowing more French. We have some excellent advanced students."

In the spring, Spanish I classes took a field trip to Casa Bonita, a

restaurant with the atmosphere of southern Mexico with cliff divers and strolling musicians.

Spanish teacher Ms. Carol Cabildo said, "Because I am married to a Mexican and lived in Mexico for four years observing the customs of the country I feel that I can offer more than can be found in books through my experiences. I try to have interaction in my classes with conversation in the Spanish language."

Calculators Invade Gateway

Calculator craziness hit the math department, where calculators were allowed for classwork and homework.

Math teacher Ms. Leone Trimble said, "Calculators are being used more in classes because they are realistic and can be found in almost every home and business."

Computers also invaded the math department, to plot graphs and line charts for AP Geometry students. Students were also taught basic operation of computers. Gateway now has Challenger 2P computers in the building.

Mr. Robert Anderson, Basic Computer Programming teacher, said, "Because of the realiability of the new computers, we're looking forward to an increased use by the math department."

Guys Show Interest In Home Ec.

Home Economics surged in popularity with the male population at Gateway with invasion into Child Development, Housing and Interior Design, Knits and Kits and Food Fundamentals classes.

Meanwhile Industrial Education remained a male bastion. The most popular class was Auto Mechanics. Mr. Doug Evans, who taught Woodworks, Plastics, and Industrial Crafts, was a new addition to the department.

Working with other Aurora High Schools, a certificate program was started in the Business Education Department, which helped students get jobs for which they qualified. The department had two new teachers, Mr. Fred Warren, and Ms. Lenore Jacobs. Most popular classes included Typing, Accounting and Business Law.

Social Studies Flows Into Community

Guest speakers, calligraphy demonstrations, community help projects, trips to Washington D.C., and new teachers enlivened the social studies department.

Activities for Oriental Cultures included food projects which explored foods from India, slide presentations, lectures, movies and a field trip to a Japanese restaurant.

Ms. Ila McFadden said, "It is wise to understand as much as we can about the life and culture of the orient, as it is estimated that by the year 2000 Orientals will make up half of the world's population."

Ms. Jeanne Johnson, a Gateway counselor, gave a demonstration on the art of calligraphy, a form of brush writing developed in Ancient China.

Psychology and Sociology Help Study, taught by Ms. Jo Cooper, put students into the community to operate craft shops in nursing homes, help with rehabilitation of a stroke victim, teach English to two Chinese students at a local elementary school, tutor in special education classes and do volunteer work at First Creek School.

Students in Close Up, an extra curricular government study activity, went to Washington D.C. for one week for discussions with House and Senate members.

Ms. Cheryl Andre, a new teacher in the department, shared her European experiences particularly in ballet, opera, and the theatre, and gave a Christmas ballet performance.

Other new teachers were Mr. Larry Harder, Ms. Ila McFadden, and Ms. Marlene Heintz.

Students Praise Special Ed.

"This group is giving me a chance to start enjoying school more. I am beginning to learn some things that I have had trouble with in the past," confirmed a student in the special education program.

The special education department, housed in Area 8, was split into three individual programs, according to students' needs.

Perceptual Communicative Disorders, PCD, was a program for those students with perceptual problems such as dyslexia, a visual impairment.

Taught by Ms. Carla McKennett and Ms. Shelbie Bastiaans, this program placed emphasis on improving the student's reading rate and math skills.

"This class is special; it's fun in here; you call for help and you get it. That's how concerned they are," a PCD student commented. The EBD program for students who were emotionally or behaviorly disturbed, previously taught by Mr. Jeff Fogler and now by Mr. Chuck Mills, handled counseling, scheduling, and personal concerns. EBD students took nonacademic field trips as a reward for meeting classroom goals.

Students with significantly limited intellectual capacities were placed in the SLIC program which emphasized vocational skills. Work Experience Study, WES, placed sophomores in school jobs, such as cafeteria or janitorial work, for school credit. From there, students went on to other jobs for wages.

The SLIC program was taught by a team which included Mr. Ron Hoover and new teachers, Ms. Priscilla Schnell and Mr. Doug Hoff.

Tech Center Most Advanced In State

Through the Aurora Public Schools Technical Center, students learned to build \$80,000 houses; give manicures; cut hair; repair cars, motorcycles, and trucks; prepare meals; sell clothes in the Daybreak Shop; and grow plants in greenhouses.

The technical center opened in 1972 and according to Mr. Errol Hillborn, director of printing, "For the size of our school district, Aurora probably has the largest technical center in the state per student."

Training for more than 50 different occupations was available to students. Cosmetology was one of the more popular courses with the females; auto and diesel mechanics, and auto body with the males. Opticianry and commercial photography also showed a rise in popularity.

In building trades, one of the unusual two year programs offered, instructed and supervised by Mr. Maurice Miller, students built three houses which were sold by the Aurora Board of Realtors. These homes ranged in price from mid \$70,000's to low \$80,000's. Twentynine houses have been built since 1972.

The students received a certain percentage of the profits to finance a ski expedition and a banquet. Completion of the program qualified students to go into foreman positions.

This year 754 Aurora high school students attended classes at the Technical Center and received credit towards graduation. Those who successfully completed the full program in their area of training received certificates certifying them for that job entry level skill.

Gateway Clubs On The Go

Sr. Sharon Kline and Jr. Carrie Lowman smile before a winning game.

The 29 clubs at Gateway were on the go.

The National Honor Society held their annual Halloween Ball on October 28. Yearbook staff made a trip to Fort Collins to advance their talents in yearbook production. Student Government also made a trip to Estes Park November 18, to learn more about leadership.

FBLA was seen every Wednesday morning selling fresh doughnuts and Oly Country tee shirts. Foreign Clubs sold candy for their fund raising projects.

Gateway's award winning MEDALLION, went to CU for the Newspaper Olympics. Its staff of 32

members and advisor Mr. Pete Mindock received national attention for it's efforts.

New organizations included The Tall Flag Drill Team and the Pep Club, which were all female. The Pep Club welcomed football players onto the field.

Late night deadlines . . . missed lunches and dinners . . . chronically undone homework . . . frustrated copy writers slouching in front of lonely typewriters . . . All of this was a part of producing the 1979 Olympiad. Editors-in-chief sr.

Mike Gross and jr. Lisa Rodrick, often had to be reminded that they did have homes to go to and sr. Dave Pfannenstiel, photography editor, did not know if it was night or day as he spent most of his time in the darkroom.

This year Yearbook Production was offered for credit, the staff grew to 16 members and the yearbook included 38 color pages, with a color senior section.

Gateway's bi-monthly new-spaper, The Medallion, was produced by Journalism 3 and 4 students. Main contributions were made by sr. Dave Von Drehle, sports editor; jr. Gus Lindemann, photography editor; jr. Dennis Bruce, feature editor; and sr. Sherri Fricke, Center Ring editor.

The staff lead by Mr. Pete Mindock was commended for their in-depth reporting on unconventional topics. Features "scooped" Gateway problems — drugs in high school sports, alcoholism, divorce and inflation.

This year was a year of many awards for the staff and paper,

including the National Quill and Scroll George H. Gallup Award and the National Scholastic Press Association All American Award.

Under the sponsorship of Mr. Dave Litschel, the members of Photo Club financed a trip to a western state by taking pictures of graduates receiving their diplomas.

Student Government Strives To Improve Gateway's Environment

Along with representing the students, the 45 members of Student Government developed better community relations and brought greater unity to GHS.

The club started a new program this year to build better student relationships, the 8-8-8 program. This involved each member asking eight various questions to eight

people they did not know every eight days.

Communication improvements with students and faculty, trash problems, and an information bulletin board were managed by the club members.

In November, students participated in a three day retreat at the YMCA Camp of the Rockies. "Student Government has been constantly striving to improve Gateway's environment by focussing on the value of each individual. We feel this is crucial, considering the enormous potential for getting 'lost in the crowd'.

Festive German dancing attracted the German Club members to the "Denver Kickers" and "Edelweiss" organizations. Split scheduling and transportation liabilities made it difficult for the club to attend these festivities as often as planned and also lowered club attendance.

"'L'Ecole," and "L'Expresso" were a few of the favorite dining spots the 30 French Club members frequently chose for special parties and evenings out.

The Club composed French cookbooks which they sold to Gateway students and faculty, along

with Hershey bars.

Sponsored by Ms. Mary Kay Joseph and Ms. Carol Cabildo, the club had about 30 members, which was an increase over last year. The club met twice a month and sold Chupa Chups for a fund raising project.

With a new sponsor, Ms. Barbara Peterson, the Speech Club

participated in bi-monthly competitive speech meets. Jr. John Meeks received a superior award in the public speaking division. Sr. Sybil Burrill was awarded an excellent place for her poetry. Fr. Tammy Whitaker received an award for pantomiming.

Fine Arts Prepare For College Thespians Review Performances

The Thespians, Gateway's Drama Club, provided an opportunity for students to see and discuss together shows performed at Gateway and in Denver.

Active members included srs. Robert Niemi, Karen Anderson, Terri Bickley and Paula Wright.

Membership to the Thespians was open to any interested student.

The Fine Arts Club, led by jr. Margaret Slovak and sponsor Mr. Jake Charlifu, prepared the members for college.

Artists-in-residence, Judy Litschel, wife of GHS photo teacher Dave Litschel, and Dick Schafer, art coordinator for APS, worked along with the members to improve their art skills and to prepare their college art portfolios.

Parading through Aurora Community Hospital's pediatrics ward in Halloween costumes, collecting toys for Santa's workshop during Christmas, and visiting a nursing home for Valentine's Day were among the many community services FBLA's 63 members organized.

The annual District III FBLA contests began on January 26 with the district division. Last July jr. Linda Giardina took first place in state in the Clerk Typist category. She then flew to San Francisco to compete in the nationals.

Mu Alpha Theta, sponsored by Ms. Betty Corbin, was primarily an

honorary math club.

The 62 members were led by President sr. Cathy Wright, Vice-President sr. Ken Walters, Treasurer jr. Sandy Brusiloff and Secretary jr. Lois Deitrich.

The club organized a booth at the February Winter Carnival.

The National Honor Society, which recognized outstanding students with a G.P.A. of 3.4 or higher, initiated new members on Feb. 22. Under the sponsorship of Ms. Ingrid Lindemann and Mr. Ray Nordmeyer, the club threw the Halloween dance, tutored students

in math and English and made field trips to colleges and industries.

"The Spice of Life" was the district theme for Future Homemakers of America. Members specialized in learning to work with people. In March, members attended the FHA State Convention in

Colorado Springs at the Broadmoor Hotel, and worked with the elderly at nursing homes later in the year.

"Fellowship of Christian Athletes was confronted with the challenge of a practical and living Christian faith," according to Ms. Cheryl Andre, sponsor. Highlights of the year included the Annual Prayer Breakfast in Boulder, opportunities to meet FCA pros, and participating in the fund-raising marathon.

Under the sponsorship of Mr.

Jerry Griffeth, Varsity Club hosted the first annual Donkey Basketball Game on March 12, where faculty members competed on donkeys' backs. Proceeds went toward new sports equipment.

For students to qualify for Varsity Club, they had to receive a varsity letter in any activity.

Trips to Keystone, Copper Mountain, Winter Park, Loveland, A-Basin and Vail improved many Ski Club members' ability to ski. The majority of trips were taken on Saturdays, and students spent approximately six hours a day enjoying the different ski slopes.

Members received special discounts on their lift tickets.

Sponsor, Ms. Becky Van Buren stated, "Whether students were experts or amateurs, they would learn something with each succeeding trip."

Pep Club, in its first year of

existence, under the sponsorship of Ms. Leone Trimble, helped with the skit in the Christmas pep assembly and painted posters for many sports events. Members wore bright yellow sweaters to show spirit. Selling Gateway shakers to students was part of their fund raising campaign.

Cheerleaders Rouse Oly Spirit J.V. Team Takes Third

Dragging through the halls in a daze, cheerleaders worked harder than ever this year. They were exhausted from cheering at all sports events, practicing after school two to three days a week, and trying to entertain approximately 2400 students in pep assemblies.

Gateway's Junior Varsity cheerleading squad won third place at Cinderella City's Invitational cheerleading and pom pon competition in August. Some 50 schools from around the state participated. Members of the Pony Express judged the competition for both

cheerleaders and pom pons. Gateway received a third place trophy.

Pom Pons Do New Dance Routines, Capture Third In Invitational

Practicing new routines every day during the summer enabled the pom pons to receive a third place victory in the Cinderella City Invitational Cheerleading and Pom Pon Competition.

Although being a cheerleader

or pom pon may look like all fun and glamour, it can be a very tiring and expensive activity. The cost of uniforms alone can run higher than \$250.

Activities that cheerleaders and pom pons were involved in included sponsoring the Sadie Hawkin's Dance; selling spirit items, hats, buttons, ribbons, and frisbees; planning many of the activities occurring at pep assemblies; and organizing the Homecoming parade.

During the football season the 120 marching band members performed during half-time at home games. Mr. Gary Capra, sponsor, kept busy for three class periods each day with different parts of the marching band.

The band practiced marching 10 hours each week. Drum majors sr. Brian Martin and jr. Nate Martin directed the band on the field.

Having 12 female members, the new organization, the Tall Flag Drill Team, also performed during half time. Sr. Kim Knight and Jr. Sherri York got the team started, which is also supervised by Mr. Gary Capra.

During the year orchestra was on the road attending the State Festival in Grand Junction and the all State Group Contest. They also performed during the holidays.

Soph. Beth Predhome, who played first chair violin, was an

outstanding member of the orchestra. She had been in Honor Orchestra since the fourth grade, and lettered in orchestra in the ninth grade. Beth also played the music for a commercial of Western Federal Savings.

Intermediate band, which performed at Gateway for a parentteacher meeting, was mainly a class preparing the students for orchestra.

provided jazz music for pep assemblies basketball games and the annual musical drama.

Sr. Brian Donahue received an outstanding solo award for the sax. He has also received an award from Rocky Mountain State Band Festival for being an outstanding musician.

Track Tops Sports Season

Boys' varsity track excelled over all Gateway teams this year with sr. Jeff Guy's record-breaking high jumps playing a major role in many wins. The boys' swimming team also had a good season, sending jr. Gus Lindemann to state in the 500 yd. freestyle.

Many freshman and sophomore

teams were plagued by inexperience.

The sport with the most crowd support was varsity football, with crowds averaging 3,500.

One of the most memorable games of the 78-79 season was the varsity football victory over Centennial League rival, Cherry Creek. In

Gateway's first football game against Creek, five years ago, the Oly team was easily defeated 80-0. This year, with a 6-0 victory, Gateway was at last rewarded with sweet revenge. The winning touchdown was made during overtime by soph. Neal Patrick.

spikers start young

Under the guidance of coach Jim Cutshall, this year's Gateway girls volleyball team was at a disadvantage to the other Centennial League schools, because they started four juniors and two sophomores.

The Olympians finished seventh in the league, in front of Central.

The Olys competed in the Wheatridge tournament. The team placed fourth after losing to Wheatridge in the finals. The Olys got help at the net from two sophomores, Lorri Smith and Sally Davis, who were honored as all-stars in the tournament.

The gal Olympians finished off the season with a final record of 8-3.

The spikers were led by captain Kathy Bullock, who is a junior.

sickness slows runners

This year the Cross Country team took a disappointing seventh place in the Centennial League race, because four of seven varsity runners were sick, including Gateway's best runner, jr. Dave Diaz.

Diaz took a first place in the Aurora and Boulder Invitational Tournament. He also placed eleventh in the Centennial League race. Other outstanding runners of the team were jrs. Tom Roth and Butch Pettit.

The Olympian Cross Country team was led by capt. sr. Brad Balint, and included two females, sophs. Marcie Zall and Therresa Desen.

The Cross Country team was coached by Mr. Steve Dertinger, who stated, "We had a lot of young but good runners this year, so next year will be better."

Sr. Robin Cox, jr. Robert Warren, jr. Steve Bently, sr. Steve Cook, and jr. Lewis Benson run during the Centennial League race.

Jr. Dave Diaz runs during the Centennial League race. Sr. Ken Dawkins pauses for a rest after running a three mile race.

lack of experience hampers golf, tennis

Oly golfers only beat two teams in the Centennial League, placing tenth out of 12 teams.

Under the supervision of Coach Sam Landrum, sr. Brian Donahue had the best average for the season and sr. Dave Pfannenstiel had the best score with 76 strokes.

Coach Landrum stated, "We have a good nucleus coming back next year with jrs. Mark Foos and Dale Hayes, and sophs. Skip Sanders and Scott Gunter."

Oly's tennis team was also struck down with lack of experience. The team leaders were sr. Steve Cook and sr. Dale Ferriere.

Coach Terry Simmons stated, "There is lots of promise for next year in upcoming players such as sophs. Mark Brading, Scott Spellman, Jeff Geist, Larry Nocerino. Jr. Paul McBride, will be returning for his fourth year seeking to regain the number one spot."

youth hinders swimmers

Although the swim teams were severly hindered by inexperience, they still managed to send four members to the Colorado state competition held at the Air Force Academy, Colorado Springs, in February.

Sr. John Leibrandt, jr. Gus Lindemann, and sophs. Jim Patterson and Colleen Damoney all qualified for state, John in diving competition, the other three in swimming.

While Jim and Colleen failed to make it to the finals, both John and Gus placed in their events. John placed eighth in the diving, the only Aurora diver ever to place in state. Gus placed sixth in both the 200 and 500 yard freestyles. His time of 1:48.82 in the 200 set a new Gateway team record.

Overall, the teams did not have a very good year. The girls felt they did their best against George Washington, breaking many personal records. Although they did not win, the score was close — 84-87.

Even though the boys set 28 new personal records, they did not win their meet against Fairview, where they swam their finest. The final score was a disappointing 69-103.

kickers get taste of winning

The Oly's soccer season was highlighted by the game against Arapahoe, which went into overtime, then into a shootout, with the Oly's losing 3-2. The season record for the Olys was 9-7.

Outstanding players on the team were sr. Preston Williams playing offense, and jr. Tom Sepper and sr. Scott Bullock playing defense. The most valuable player for the team was goalie jr. Steve Paul.

The coaches for the team were James Morgan and Larry Backes.

In the first game of the season against Heritage, jr. Steve Paul, goalie, made a score when he punted the soccer ball with the wind. The ball bounced twice, and over the head of an opposing player and into the net.

"This happens once in a million years," commented jr. Nate Ruhl.

Coach Morgan stated, "Every year is a building year for us. Gateway's team will be better because they have the experience of winning."

j.v. crushes littleton 30-0 soph gridders struggle

The J.V. football team ended this season 1-4, while the so-phomores did a little better with a 3-5 record.

This year's J.V. football team, under the guidance of James Harter and Chuck Mills, did not play many games because of cancellations by the other teams.

The J.V. team, made up of sophomores, juniors, and a few seniors, did not have a consistent roster, since most players were on varsity and sophomore teams also.

The most outstanding player was jr. Doug Mohr, playing halfback.

The best game the Olys had was against Littleton, which they won 30-0.

The sophomore football team closed the season with a 3-5 record under coaches Dave Demski and John Pounder.

The outstanding players included Steve Elliott at running back, Ed Sather at tackle, Rod Booker at fullback, and Jason Rouse at tackle.

frosh footballers end 2-5

Coached by Justin Fay and Merlin Johnson, the freshmen football team ended the season 2-5.

The freshmen started off well, defeating Castle Rock, with a score of 15-6. Beating Central by 26-14 was the highlight of the freshmen season.

Coach Fay explained, "The best defensive players were Doug Zwiers, Rob Zalanka, Tony Martinez, Donnel Smith, Mickey Ward; outstanding running backs were Jason Johnson, Dean Adams, Doug Watson; and the outstanding quarterback was Mark Pursley and Brian Martin as end.

Tough opponents and lack of experience left the girls' gymnastics team, led by Ronda Horner, with an overall record of 0-10.

Ms. Horner considered floor excercises the team's best event. Two of the event's better competitors were freshmen Kerri Bond and Lisa Harter.

Ms. Horner said, "Overall the team had much potential and if the girls continue with gymnastics, we should have a better team in the future."

Donahue's varsity basketball team was plagued by seniors who did not play to their potential and ended with a record of 4-13.

Soph. Neal Patrick, outstanding player on the varsity team, was the best all-around player with the most steals and consistent offensive play. Sr. Tom Pryor was the highest scorer, best rebounder, and freethrow shooter. Although soph. Bill Roundtree played mostly J.V. he scored 20 points and snatched 18 rebounds during a varsity game.

Outstanding players on the J.V. team were sophs. Bill Roundtree, Greg Dunn, and Randy Jackson and jr. Steve Seabrook. All saw varsity

action and will be the nucleus of Gateway's basketball future.

Coach for the varsity team was Joe Donahue and Pete Mindock for the J.V.

"The Gateway program is still in the building stage with a new coach," stated Mindock.

frosh cagers beat mullen sophs edge out creek

The soph. basketball team skimmed by Cherry Creek 51 to 50 for their best game of the season while the frosh team triumphed over Mullen 60 to 56.

Scott Gunter, Terry Morgan, and Eric Dixon were considered by Coach Jim Cutshall to be outstanding players on the sophomore team.

"The players worked hard all season. We should have won more than we lost but we had some bad breaks," said Cutshall.

Major point scorer and rebounders on the frosh basketball team were Jason Johnson, Donnell Smith, Ty Kasdorf, Darrell Grohskopf, and Billy Underhill.

"This year's players had the best attitude and worked the hardest out of all the players I've had," said the freshmen basketball coach, Mr. Merlin Johnson.

gal cagers smash hinkley

Surprise victories of the Oly girls' basketball team over Central 46-44 and Hinkley 43-38 in overtime boosted the season record to 5-9.

The team was led by soph. Sally Davis, outstanding defensive player scoring 17 points for her high game against Smoky Hill; soph. Lorri Smith, who had a high game of 19 points; and soph. Bronwyn Williams, who played all positions with a high game of 18.

Although the team started out young with four sophomores and one junior, this did not stop the strong Olys, whose defeats were close ones.

Coach Justin Fay stated, "We have a young team of excellent players, which will help a lot in the future."

Soph. Mike Martinez led the varsity wrestling team to a 5-5 record and qualified for state competition. Other outstanding wrestlers were sr. Allen Hodges, jrs. Bob Beckman and Alex Canano, and soph. Ed Sather.

In inner-city competition against Hinkley and Central, the varsity team outscored and outpinned both of the opposing squads by 28-24 and 30-26 respectively, to end up with an even 5-5 record.

Looking forward to next year, Coach England believes promising wrestlers will be sophs. Randy Chamberlain and Jay Guy, and frosh Tony Martinez, Paul Davis and Larry Paige.

Sports Hall Of Fame

Qualifying for the Colorado finals, jr. Gus Lindemann swam his way to fame for the Olys. His best event was the 500 yard freestyle in which he qualified for state competition with a time of five minutes.

Gus started swimming competition when he was nine years old. He began swimming for the Olympian swim team because he wanted to get involved in school activities. Gus's goals were to place first in state competition and to go the nationals.

Some of his other achievements were National Honor Society treasurer, Junior Class President, and Photography Editor for the MEDALLION. He maintained a GPA of 3.8.

Gus would like to attend college out of state, majoring in premedicine. He hopes to receive a swimming scholarship. Senior Jeff Guy topped his athletic career at Gateway as co-captain and kicker of the All-American High School football team.

Jeff also competed in varsity track and basketball. He participated in all three sports for four years and lettered in each.

Last summer during the Junior Olympic Nationals, Jeff placed second in the high jump competition with a 6'10" jump. At the state competition last spring, Jeff broke the Colorado high jump record with a height of 7'1/4".

Jeff's future plans include attending the University of Texas, and a possible sports career.

As a 5'6" second-year guard for the Oly girl's basketball team, jr. Misty Brennenstuhl enjoys playing defense more than any other position.

Misty played varsity volleyball and basketball, which she lettered in as a sophomore and junior.

She received Centennial League Honorable Mention in volleyball.

Misty stated, "I like volleyball the best because it requires a lot of team work."

Misty is still able to maintain a B average and was a member of the Varsity Club and Softball Club.

After her graduation, Misty would like to attend CSU or UNC.

Senior Tom Pryor, guard on the Gateway varsity basketball team, maintained the highest point average on the team. The most points Tom scored in one game was 20, and his average for the year was 12.8 points per game.

He has played basketball at Gateway for four years and during his senior year he lettered and received honorable mention in the Centennial League for his play.

Tom played football during his freshman year and was a member of German Club as a junior. In his spare time Tom enjoys playing tennis.

Next fall, Tom plans to attend the University of Colorado or the University of California at Los Angeles, majoring in business.

For a sophomore, Lorri Smith has come a long way, making it onto three varsity teams.

Lorri lettered in volleyball during her sophomore year and basketball and soccer as both a freshman and sophomore. She received Centennial League Honorable Mention in all three sports and was named an all-star in the Wheatridge Volleyball tournament as a sophomore.

Lorri's sport's background includes two years of volleyball, and seven years of basketball and soccer.

"Soccer is my favorite sport because you are always moving with the action and a lot of people work together as a team, and team work is the most important thing in sports," stated Lorri.

After graduation, Lorri would like to attend the University of Northern Colorado majoring in physical education.

Senior Preston Willams had never played soccer until he came to Gateway four years ago. Despite this, he managed to become the leading scorer on the varsity team. He was also named to the Centennial League first team and the All-State second team.

Preston decided to play soccer because he had watched it on television, and thought it was something he would like to do.

Preston said, "I like all sports, but soccer is my favorite because you are always moving."

Preston also excelled in track, running a 9.9 second hundred yard dash in his first meet and breaking an old school record. Preston went on to be one of Gateway's best sprinters.

Preston will be attending St. Johns Junior College in Kansas on a soccer scholarship, where he plans to major in business management.

Overpopulation Squeezes Gateway

Below, Ms. Nancy Sprague, social studies teacher, is caught off guard. Right, Ms. Debbie Hart teaches chemistry in an innovative way, talking in French as she demonstrates a recipe. Above, Sr. Ann Wedow takes a break during class.

The race was on! The four classes at Gateway were competing for the title of "The Largest Class Ever."

The freshman class placed first with a record-breaking enrollment of over 700.

The seniors, the smallest class, brought up the rear with close to 600

students. This record attendance of over 2,400 students, close to 1,100 more than the 1973 enrollment, reflected the rapidly growing population of Aurora.

Students came not only from every section of the United States, but from around the world as well, with young people from countries such as Sweden, Japan, Viet Nam, and Korea.

More students meant many more teachers also. New faces could be seen in nearly every department as 32 faculty members were added to meet the ever increasing student demands.

Below, Mr. Butterfield poses with one of his many friends.

Wave Of Freshmen Flood The Halls

President Mark Purlsey

Vice-president Lisa Andrews

Sec. Cynthia Stagner Treas. Laura Heroux

Approximately 700 freshmen surged through the halls of Gateway this year, making them the largest class yet. They increased 10% over last year's 623 and are expected to increase 10% more next year.

Projects for the freshmen included a booth at the Winter Carnival and a Homecoming float, featuring a rainbow and a large yellow "82." The float, which was built at Greg Cunningham's house, placed fourth in competition.

Class officers were President Mark Pursley, Vice-president Lisa Andrews, Secretary Cynthia Stagner and Treasurer Laura Heroux.

Sponsors for the freshmen were science teacher, Mr. Richard Jensen and math and P.E. teacher, Mr. Ray Payne.

Freshmen found the first day of high school could be as tramatic as legend painted it.

Towering seniors initiated frightened freshmen by blasting them with fire extinguishers and dumping them in trash cans.

Freshman Mike Ward was found on the floor pushing pennies while Scott Welch sang on top of some lockers with upperclassmen onlookers laughing hysterically.

Fr. Jason Johnson said, "I guess that it was all done out of fun and no one got hurt so it was o.k. Some of the upperclassmen really know how to embarrass you."

Soph. Sarah Henning insisted that "the class of '81 rules." They came in a close second after the seniors in the spirit link contest during Spirit Week. Links at 2c apiece, were a money making project of Student Government.

Sophomores captured "Best Use of School Colors" for their Homecoming float. In overall competition the sophomores placed third.

President Jay Croft stated, "This year's sophomore class has more spirit than I've ever seen."

Soph. Lori Smith stated, "We're more outgoing and enthusiastic because we're not the little ones any more."

The sophomores sponsored an "April Fools" dance for all discofevered students. They also sold candy to raise money for Prom.

Junk food junkies with the munchies had a feast this year.

Evidence of junkies on the loose were wrappers from Gummi Bears, Reese's Peanut Butter Cups, and Chupa Chups scattered throughout the halls.

Between classes, students made hasty detours to the concession stand to buy Zingers, doughnuts, fruit pies and rolls. High rollers with wheels made quick stops at MacDonalds and Burger King on the Mississippi "strip" to gorge on fries and burgers.

It was a calorie happy year and GHS clubs reaped high profits selling candy for their money making projects.

Vice-President Mark Holloway

Sponsored by math teacher Mr. Bill Ott, the juniors had the responsibility of raising money for prom. They hawked Jolly Rancher candy and Gold "C" coupon books, and sponsored a Christmas disco

The junior year was a year of "firsts" for many: owning a car for the first time, holding a job for the first time (and being able to finance dates), taking the PSAT, SAT, and ACT tests for the first time.

The juniors were a winning class too. Sammie Howell and Tom Roth took academic honors, Gus Lindemann went to the state swim. meet for the third year in a row, Alex Canono was the class's wrestling star and Nate Martin was the woodwind expert in band and drum major for the second year in a row.

"Rage" became a household word among juniors this year and was even printed on t-shirts worn by some junior girls.

"Rage is the junior class, full of spirit and competitive; it means sitting on Central's side and yelling for Gateway at a football game," explained junior Susan Sims.

"Rage means a good party with lots of friends and cute girls; it's when you're in a football game and you tackle someone from a rival team and you just RAGE on them," Mike Harris continued.

Senior Hall of Fame

Long distance running is almost synonymous with Brad Balint. Brad was a member of the cross country and track teams since his freshman year, and figures he ran an average of ten miles a day while in training for these sports. Brad earned varsity letters in both cross country and track and served as captain of the cross country team during his senior year.

In addition to his devotion to sports, Brad managed to maintain a high GPA throughout high school. He was a member of NHS and Mu Alpha Theta during his junior and senior years.

Brad's future plans include attending either Colorado University or Colorado School of Mines to prepare for a career in engineering.

Getting involved in everything was Mary Boyle's philosophy while at Gateway. Her many activities included tennis, which she lettered in as a junior; involvement in Prom and Homecoming preparations during her junior and senior years; and two years in the Close-Up program. Also, she was a member of FBLA, the Aurora High Schools' Intra-City Council, and Gateway's Student Government. In her junior year Mary was an active member of Student Government and as a senior she served as president.

Mary also led an active life out of school, and especially enjoyed attending the theatre and concerts.

After graduation Mary would like to continue her schooling and go into the field of education as a teacher or administrator.

With hopes of going to the 1980 Oylmpics, athlete Jeff Guy participated actively in football, basketball, and track. He lettered in track as a freshman, track and football as a sophomore, and track, football, and basketball, in his junior and senior years.

Jeff attended the Junior Olympic Nationals held in Lincoln, Nebraska in the summers of 1977 and 1978. He placed sixth in 1977 and second in 1978 in the high jump with heights of 6'8" and 6'10".

SPORTS ILLUSTRATED mentioned Jeff in an issue last summer to commend him for his achievement in sports and because he had broken the Colorado High School high jump record with a height of 7'1/4". Jeff also set a Centennial League field goal record with a kick of 55 yards. His punting average for the year was up to 47 yards before settling at 43 yards.

Jeff plans to attend the University of Texas this fall, majoring in art. He would like to continue in sports while attending college and possibly go on to play professional football.

"John Heroux was actively engaged in school, both academically as well as athletically. He represents his home, school, church, and community very well." according to Dr. Richard Sharkey, Principal.

John has been a participant in football, track, and basketball, earning a varsity letter in football as a junior and senior. For his football efforts as a defensive back, John received an All League Honorable Mention Award during his senior year.

John's academic involvement included membership in Student Government as a sophomore and junior, NHS as a junior, and Mu Alpha Theta as a junior and senior. John held the offices of Junior Class Treasurer, Student Government Vice-President, and NHS president while at Gateway. His future plans include a possible career in engineering.

Have you ever wondered who made the many posters displayed in the halls anouncing future sporting events and other activities? Maybe it was little elves similar to those who aid Santa Claus.

But no, the mystery person was Tamy Kasdorf, who spent most of her free time designing or painting signs, programs, and tickets for Gateway's dramatic productions, dances, sporting events, and other activities.

Tamy used her artistic abilities for more than Gateway's activities though. She often designed and painted needlepoint canvasses for her mother's needlework shop and also enjoyed painting lettering on old firetrucks and barrels for friends. Occasionally Tamy was able to enjoy herself alone by escaping on horseback.

Tamy would like to continue with her art in college and possibly become an art teacher.

Dave Pfannenstiel spent many of his hours in the dark. For the past three years Dave has been indispensable to the journalism department with his photography. During his sophomore, junior and senior years Dave served on the MEDALLION staff as a photographer, and during his senior year he was the photographic coordinator for the yearbook.

Dave does not spend all of his time in the darkroom though. He was on the varsity golf and swimming teams, lettering in swimming as a freshman and golf as a junior and senior. Dave has also been a member of NHS, Mu Alpha Theta, and Ski Club.

Dave would like to attend the University of Colorado to study biology and chemistry in the field of pathology. On the side, Dave would possibly like to continue his work in journalistic photography.

If the average Gateway student were asked what Jenny Pratt did as an involved Oly, one would get a long list of impressive achievements. Jenny is best known for her dramatic performances, which she began in her freshman year as a major character in the musical "Hello Dolly."

Her other dramatic accomplishments included parts in "Charlie's Aunt," "You're a Good Man Charlie Brown," "Oklahoma," "Bye-Bye Birdie," and the student directed melodramas. Each year Jenny was nominated for an Oly award.

Jenny also devoted much of her time to cheerleading as a Pom-pon in her junior year and as head Pom-pon in her senior year.

Jenny's future plans include a business major in college.

Being able to laugh at oneself is something many wish they could do. Lisa Self could. She was also able to make the rest of us laugh.

Lisa was very involved during her four year experience at Gateway. As a freshman Lisa played tennis on the junior varsity team and continued on to a position on the varsity team as a sophomore, junior, and senior. She was also a member of the girl's volleyball team for two years.

This past year Lisa was an influential member in several clubs and organizations, serving as vice-president of both FHA and the senior class. She was also a participant in FBLA, Close-Up, and Spirit Council activities.

Out of school, Lisa was also very active. She enjoyed attending the theatre and symphony in addition to working for Aurora Parks and Recreation.

Lisa would like to work in the field of education after graduating from college. She plans to be a high school home economics teacher or an administrator.

The man behind the typewriter those late long hours in the MEDALLION room was usually Dave Von Drehle. Dave has earned a reputation for his excellent newspaper work, having won both local and state-wide awards for his articles in the MEDALLION. In addition, Dave received a part-time job on the staff of THE DENVER POST. He was the first high school student to ever have such a job with the POST.

Despite his excellent, achievement in journalism, Dave felt his most noteworthy activity was his envolvement in Student Government. He served as Student Government president during his junior year and was the president of the senior class. He also served as Colorado State Student Council president as a senior. This gave him the chance to lead workshops for student leaders as well as give speeches all across the country. Dave was also the author of several "how-to" books on student government.

After graduation, Dave would like to attend college with a double major in secondary education and journalism.

Before coming to Gateway, Mr. William Scott, new vice-principal this year, taught mathematics and served in administration in Maryland for a total of 20 years. Mr. Scott's job as vice-principal consisted of combatting tenth and eleventh grade attendance and disciplinary problems. He also worked with the campus monitors.

Mr. Scott stated, "The attendance policy is the best I have ever seen. If I could change anything at Gateway, it would be the trash problem."

When asked if he thought there was a racial problem, Mr. Scott declared, "I really don't think there is a racial problem at Gateway. Most of the students get along very well."

Mr. Scott enjoyed his first year at Gateway, feeling it is a beautiful school.

He likes to spend his free time at school meeting new students.

Top, Mr. William Scott talks to reporters. Right, Dr. Richard Sharkey pauses from his crowded schedule.

Faculty Copes With Crowding

Dr. Richard Sharkey, principal, feels the 10 hour day is a big change, and although it is a long day, it is better than overcrowded classes.

Having Gateway closed in is another big change. The library's enclosure has prevented theft of books.

"It is unfortunate, but it needed to be done," commented Dr. Sharkey.

Dr. Sharkey feels that the attendance policy is very good. "It is a lot of work, but the end result is worth it."

Two of Dr. Sharkey's main concerns were the trash problem and overcrowded halls. He has also seen a big change in the enthusiasm

and participation of school spirit.

Dr. Sharkey made an effort to know more students, and his favorite place was the commons.

In the year 1969, Dr. Sharkey helped pass the bond to build the school, and later contributed to the designing and the building of the school. In the year 1974 the school opened with Dr. Sharkey as principal.

Dr. Sharkey has been with the Aurora Public School system for 23 years. In the past years he has been an English teacher, vice-principal and principal.

Staff Battles Hunger, Debris

It has been said many times that behind every great man is a great woman. Likewise, behind every great school is a great staff.

One of the most important at Gateway was the staff of cooks and custodians. The cooks concentrated on keeping the students and other staff members well fed, while the custodians concentrated on keeping the halls and rooms free from debris.

Ms. Carrie Lubbers, kitchen asst. manager, said, "I love the students here at Gateway and really relate to their age group.

"The nourishment of the students is our main concern. At one time in my many years at Gateway I was injured and informed by my doctor I should quit, but I liked it here so well that I couldn't. I wouldn't work anywhere but Gateway."

A typical daily meal consisted of the following: 1216 1/2 pt. containers of milk, 860 12 oz. cups of milk shakes, 90 lbs. of green beans, 150 lbs. of chicken and an assortment of fruit.

Ms. Amelia Price, head custodian, said, "I really enjoy working at Gateway because the staff and students are very nice and for the most part, easy to get along with. I would really like to thank the people I work with because I could not do it all alone."

A typical day for our staff of custodians consists of vacuuming all floors, checking for any repairs needed, securing all doors and setting the chairs up for activities.

Pam McShane and Joan Weibel serve lunch to students.
